

## SCENE TWENTY

*(A projection of the Horsehead Nebulae.)*

*(C.B. and DONNA sitting on a swing. A large telescope is floating in front of them. C.B. guides the eyepiece down to DONNA so she can look through it.)*

C.B.. No, I'm serious, I want you to see this.

DONNA. Hon, I know this star gazin' shit from high school.

C.B.. Oh man, you have a one-track mind, you know that?

DONNA. Just lookin' after my own shop, Sugar.

C.B.. Hey Lady, what makes you think you're more interesting than what I can see in this 'scope? Huh? Here, take a look. OK, you see in the upper left hand corner of that dark part that looks kinda like a horse?

DONNA. *(looking)* A horse...you mean a whole horse?

C.B.. No, just his head.

DONNA. Oh, OK, I see it...

C.B.. Now just to the right, on his nose, is that real bright part?

DONNA. Uh-huh...

C.B.. Now count three stars up from that. *(a beat)* You have it?

DONNA. Uh-huh, I think so...

C.B.. The third star to the right...take a look at it.

DONNA. I'm looking...

C.B.. You see anything around that star?

DONNA. Not yet...

C.B.. Keep looking.

*(DONNA suddenly gasps)*

DONNA. Oh my God.

C.B.. Pretty amazing isn't it?

DONNA. C.B., oh my God.

C.B.. You're the first one I've shown it to.

DONNA. I can't believe it.

C.B.. I wanted you to see it.

DONNA. It's blue. And it has clouds.

C.B.. Yep, just like ours.

DONNA. I can see oceans. And land...

C.B.. Kinda pretty, isn't it?

DONNA. It's like a beautiful blue marble. It's out there. Oh my God.

C.B.. I named it after you. Donna. The planet Donna.

DONNA. *(shouting up at the sky)* Hello! We see you! Hello!

C.B.. HELLO!

DONNA & C.B.. Hellooo! HELLOOOOOOO!

*(As lights fade on C.B. and DONNA, the projection dissolves to a shot of the Earth from space.)*
